

Ficha de cata

9 months lightly oaked 2020

100% TEMPRANILLO

A light average temperature rise was noted in the weather in 2020 along with abundant rain in spring which allowed the vine to develop well. The rain during harvest did not affect grape quality.

Sourced from vines between 5 and 15 years old.

Classic winemaking with de-stemmed uncrushed grapes.

Temperature controlled fermentation and maceration.

Malolactic fermentation in stainless steel tanks.

Oak aging for 9 months in French oak.

Visual: cherry red with violet rims characteristic of his youth.

Nose: intensely expressive Tempranillo primary fruit aromas.

Taste: balanced and well-structured easy drinking wine.
